— BEYOND STONE, BEYOND ORDINARY —

SD EXOTIC SURFACES

**SD EXOTIC SURFACES**, managed by **Mr. Dhairya Chhajerh**, is a premier name in the world of high-end architectural stones. We specialize in the sourcing, processing, and distribution of Exotic and Premium Granite, Quartzite, and Marble. As a proud sister concern of the Balaji Group—a powerhouse in the mining industry—SD EXOTIC SURFACES benefits from a direct lineage to the source. This unique vertical integration allows us to ensure unparalleled quality control and exclusive access to some of the earth's most breathtaking natural treasures.

### **Our Expertise & Infrastructure**

We bridge the gap between nature's raw beauty and refined architectural design through:

- **State-of-the-Art Technology:** Utilizing advanced machinery to achieve precision cuts and world-class finishes.
- **Human Excellence:** Powered by a dedicated team of over 50 qualified experts who understand the technical and aesthetic nuances of natural stone.

At SD EXOTIC SURFACES, we don't just supply stone; we provide the "jewelry" of the building, curated under the expert guidance of Mr. Chhajerh to meet the demands of the world's most ambitious designers and homeowners.

## Our Signature Collection

We take pride in offering a curated portfolio of rare and exotic materials that serve as the centerpiece for luxury projects, including:

The image features a dark background with abstract geometric patterns in the corners. These patterns consist of numerous thin, light-colored lines that form concentric, slightly irregular shapes, resembling stylized mountain peaks or architectural structures. The lines are most dense in the corners and become sparser towards the center.
